PROFILE

Enthusiastic and motivated individual actively seeking a Software Engineering internship opportunity. Passionate about problem-solving and dedicated to continuous learning. Currently pursuing a Software Technologies Specialization, I am eager to apply and expand my skills in a dynamic and challenging environment, gaining valuable real-world experience.

EDUCATION

Uva Wellassa University of Sri Lanka, Badulla

Jan 2021 - Present

Bachelor of Information and Communication Technology Honors Degree Program | Current GPA: 3.77

Relevant Coursework: System Level Programming, Software Engineering, Database Management Systems, Software Quality Assurance, Fundamentals of Computer Networks, Web Technologies, Project Management

PROJECTS

SplendEng - Back-end Developer

Jan 2023

The English Learning Resource Library is a user-friendly platform with curated resources for all proficiency levels. It offers sections for speaking, reading, writing, and listening skills, catering to beginners, intermediates, and advanced learners. With podcast, Youtube videos, and comprehensive skill resources, it's ideal for enhancing English proficiency

- Technologies used: HTML, CSS, JavaScript, PHP, MySQL
